Ms. Kim,

Your check #1015 dated 2/21/2023 for \$5 has been received.

The requested records will be released today. You should get an email from the State of Utah "moveIT" with a link to the records (from moveit.utah.gov). The records will be available for download for 30 days.

Please complete the attached receipt and return it to me (digitally sign the form or sign by hand and return a scan of it).

Please let me know if you have any questions or problems retrieving the records.

Thank you-Michele

Hi Michele,

I am willing to pay the \$5 it costs to obtain this record; however, as I do not live in the state of Utah, I am unable to pick up the records myself.

Is there any way the records could be emailed to me by pdf instead?

Sincerely,

Betsy
