An Internationally Accredited Police Agency Since 1994

March 19, 2023

To: Betsy Kim PRR 22-017748

From: Virginia Bermudez

Request: # of untested rape kits in Scottsdale from 2018-2022 (for each year), broken down by # untested within 30 days of being submitted to lab vs number held by police/hospitals.
Of rape kits tested in 2022, # tested < 30 days of being submitted to lab.

Results: Scottsdale Police Department maintains records of rape kits submitted to and tested by Scottsdale Police Department laboratory. See below the results from 2018-2022:

2018: 76 sexual assault cases submitted, 5 completed within 30 days.
2019: 82 sexual assault cases submitted, 10 completed within 30 days.
2020: 81 sexual assault cases submitted, 5 completed within 30 days.
2021: 62 sexual assault cases submitted, 0 completed within 30 days.
2022: 67 sexual assault cases submitted, 1 completed within 30 days.

Thank you,

Virginia Bermudez
