DFS definition - PERK not currently assigned to an analysts and/or outsourcing

D.C. Law - The Sexual Assault Victim’s Rights Act (SAVRAA) - states all PERKs submitted to the laboratory must be worked within 90 days from receipt at the lab once the courts have granted Permission To Consume (PTC) of evidence.

*DFS lost accreditation in April 2021 - all PERKs processed via outsourcing vendor; perviously all PERKs worked in-house at DFS
