Hi Kyler,

Thank you so much for this data. I had a few follow-up questions, if you don't mind.

1. Are the 2018, 2019, and 2020 numbers reflective of December of each year or the end of the financial year? **Calendar year.**
2. When will data from the BJA SAKI inventory be released? **The BJA did not provide timeline.**
1. I noticed that you didn't include any crime lab backlog numbers in your response. Does the Montana DOJ State Crime Lab count the number of kits that remain untested at the end of every year? How can I access those numbers? **As part of the SAKI 2020 inventory, the state crime lab did not have any untested kits.**
- 3.

Thank you for your consideration!

Sincerely,
Betsy
